LAING SELF STORAGE CONTINUES GROWTH WITH SELF STORAGE EXPANSION IN CONKLIN NY

Conklin, NY – September 15th, 2020 – Laing Self Storage, a member of the Laing family of companies, proudly announces the expansion of a self storage center in Conklin, NY.

This expansion is the 3rd Laing Self Storage location in the Binghamton area with locations in Endwell and Binghamton. The newest Laing Self Storage (www.laingselfstorage.com/conklin) facility is located at 430 Broome Corp Parkway, Conklin, NY. The first stage, slated to open in mid November 2020 will offer 13,500 rentable square feet and will have a variety of unit sizes with easy access drive up storage. Stage 2 of the expansion will be finished in late 2021 for a total of 52,000 net rentable square feet.

“We’ve had 5 acres sitting vacant for over 20 years and after the second devastating flood in 2011, we decided that Conklin and the surrounding areas needed a facility that doesn’t flood. Our location, located in the Corporate Park is a great location for servicing all of Binghamton and PA,” stated Brian Laing, President.

Laing Self Storage has plans to enrich the customer experience when moving and storing. This includes enhanced security by offering smart locks, high definition video, lighting, and individual access control. “All the extra bells and whistles are great, but our ultimate goal is to provide a safe, secure storage facility with the peace of mind that mother nature wont wreak havoc on your belongings,” says Laing.

This new Laing Self Storage location will offer drive up access to various sized lockers, online payments, surveillance, and outdoor parking for Trucks & Trailers, motor homes & RV’s and boats and an office for misc purchases including packing supplies.

For temperature controlled storage, Laing Self Storage offers two locations; Laing Self Storage of Endwell and Laing Self Storage of Binghamton. The Endwell location is located on 105 Brink St, Endwell, NY and the Binghamton location is at 155 W. Service Road, Binghamton, NY.

The above-mentioned acquisition was made by separate affiliates of The Lainger Group and Laing Self Storage. The Laing family of companies is headquartered in Conklin, NY. Laing draws its roots from the family business of Laing Industries, a truck & trailer repair company founded in 1970 by Dick & Eleanor Laing. As a locally owned business and ties within the community for over 50 years, we are focused on delivering a quality storage solution backed by unparalleled service and affordable prices.
